

# Training Health and Safety Induction

## Health and Safety Courses for Managers/Business Owners

Who should attend	Aimed at business owners, HR, office and training managers: anyone who has to deliver health and safety induction training
Why you should attend	All organisations that employ staff have an absolute requirement under the Health and Safety at Work, etc Act to provide information, instruction and training. This modular course will enable you to build your skills in a structured way to give you confidence to deliver a range of health and safety training that you choose, beginning with induction training
What you will learn	<ul style="list-style-type: none"><li>• Presentation skills: how to hold your audience's attention and make the training meaningful</li><li>• Learning styles and making opportunities for different learners</li><li>• Dealing with questions</li></ul>
Course content	<ul style="list-style-type: none"><li>• Health and safety policy and organisation</li><li>• Fire and emergency procedures</li><li>• Accident reporting procedures</li><li>• Risk controls</li></ul>
Assessment	Candidates are assessed on their design and delivery of a short training session which they are required to deliver to other members of the group
Venue	Peterborough
Dates	Call for update
Cost	£239 per person (+VAT)
What's included	We will provide you with all the resources you need to deliver this training including PowerPoint presentations, training plans, activities, handouts, games and quizzes both hard copy and electronically Your trainer will also provide you with ongoing mentoring via email and telephone. Refreshments, lunch and certificate
Course duration	1 day initially, followed by as many 1 day sessions as required.
